

Custom Lamp and Accesory Design

PLEASE NOTE: NRB produce custom lamps and accesories only in quantity.

The minimum order for each item is 100 pieces. Any special fabrics or finishes, product dimensions, packaging or boxing may increase the minimum.

The design team from NRB Originals scours foreign markets for exciting new ideas, materials, and products. Keenly aware of marketplace trends and needs, they create decorative accents that offer a fresh statement for projects of all kinds.

Working with such a wide variety of different materials gives them an edge in the marketplace. Ceramic, glass, wood, metal, resin, and other natural materials are uniquely combined to create products that are bold, striking, and unusual. The search for new sources and exciting designs is a never-ending challenge.

INFO SHEET:

Our products are manufactured in China and shipped to the USA in containers on ocean freighters. Customers who have the ability to purchase an entire container will save substantial amounts of money – usually between 30% - 50%. This enables Customers to significantly increase their profits and/or lower their retail prices to more effectively compete in the market place.

Containers are shipped directly to the Customer from China.

A

full 40" container holds roughly 2,000 cubic feet or cubes. A "40" Hi Cube" container holds 2,200 cubic feet.

The

minimum order for each item is 100 pieces. Any special fabrics or finishes, product dimensions, packaging or boxing may increase the minimum.
